**RESOLUTION NO. OF 2012**
**REAFFIRMING ISRAEL'S RIGHT TO EXIST AND TAKE SUCH ACTIONS AS MAY BE NECESSARY TO DEFEND ITSELF AGAINST OUTSIDE ATTACKS**

WHEREAS, Hamas was founded with the stated goal of destroying the State of Israel, and Hamas has been designated by the United States as a Foreign Terrorist Organization; and

WHEREAS, Hamas has refused to comply with the Quartet's (the United States, the European Union, Russia, and the United Nations) requirements that Hamas recognize Israel's right to exist, renounce violence, and agree to accept previous agreements between Israel and the Palestinians; and

WHEREAS, in June 2006, Hamas illegally crossed into Israel, attacked Israeli forces, and kidnapped Corporal Gilad Shalit, whom they held for five years before exchanging him for 1,027 mainly Arab and Palestinian prisoners, 280 of whom were convicted and serving life sentences for planning and perpetrating terror attacks on the Israeli people that resulted in the murder of 569 Israeli citizens; and

WHEREAS, Hamas has launched more than 12,000 rockets and mortars against Israeli population centers since 2001, and has launched more than 6,000 such rockets and mortars since Israel withdrew its civilian population and its military from Gaza in 2005. Since the beginning of the latest increase in rocket attacks on November 14, 2012, Hamas has launched over 900 rockets aimed at Israeli towns and cities, killing three civilians, wounding scores, and causing significant damage to buildings and property; and

WHEREAS, Hamas has increased the range and payload of its rockets, reportedly with support from Iran and others, putting hundreds of thousands of Israelis in major population centers in central Israel such as Jerusalem and Tel Aviv in danger of rocket attacks from Gaza; indeed, sirens have gone off in those cities warning of incoming rockets; and

WHEREAS, Hamas locates elements of its terrorist infrastructure in civilian population centers, thus using innocent civilians as human shields, while as Israeli MK Meir Sheetrit stated, ""There is no other nation in the world that operates as the IDF [Israel Defense Forces] does. Before bombing a building, the IDF phones all the residents to warn them to get out;" and

WHEREAS, despite living under the threat of constant missile attack from Gaza, the IDF has permitted the opening of crossings into Gaza to allow deliveries of food, medicine, gas and other humanitarian supplies to the people of Gaza; and;

WHEREAS, as President Barack Obama stated on November 18, 2012, Israel has "every right" to defend itself against missile attacks by militants inside Gaza. "Let's understand what the precipitating event here that's causing the current crisis and that was an ever-escalating number of missiles that were landing not just in Israeli territory but in areas that are populated, and there's no country on Earth that would tolerate missiles raining down on its citizens from outside its borders," and

WHEREAS, as Israeli Prime Minister Binyamin Netanyahu has stated over the past few days, "We are unwilling to accept the current situation, in which residents of Israel live with constant rocket attacks." Israel has justly responded to "an ever escalating number of missiles that were landing not just in Israeli territory, but in areas that are populated. And there's no country on earth that would tolerate missiles raining down on its citizens from outside its borders," and

WHEREAS, the Committee has met, considered and by a vote approved this resolution; now therefore be it

RESOLVED, That the Rockland County Legislature hereby:

(1) reaffirms Israel's right to exist and to take such actions as may be necessary to defend itself against outside attacks;

(2) reiterates that Hamas must end the rocket and mortar attacks against Israel, recognize Israel's right to exist, renounce violence, agree to accept previous agreements between Israel and the Palestinians, and verifiably dismantle its terrorist infrastructure;

(3) calls on our State and Federal officials to:

(A) condemn Hamas for deliberately embedding its fighters, leaders, and weapons in private homes, schools, mosques, hospitals, and otherwise using Palestinian civilians as human shields, while simultaneously targeting Israeli civilians; and

(B) lay blame both for the breaking of the 'calm' and for subsequent civilian casualties in Gaza precisely where blame belongs, that is, on Hamas;

RESOLVED, that the Clerk to the Legislature be and is hereby authorized and directed to send a certified copy of this resolution to Barack Obama, President of the United States; Hillary Rodham Clinton, United States Secretary of State; Ambassador Susan Rice, United States Ambassador to the United Nations; Ron Prosor, Israeli Ambassador to the United Nations; Michael Oren, Israeli Ambassador to the United States; Consul General Ido Aharoni of the Office of the Consul General of Israel in New York; Hon. Charles Schumer and Hon. Kirsten E. Gilllibrand, United States Senator; Hon. Eliot L. Engel, Hon. Nita M. Lowey and Hon. Nan Hayworth, Members of the United States Congress, New York State Governor Andrew M. Cuomo; Hon. David S. Carlucci, New York State Senator, Hon. Kenneth P. Zebrowski, Jr., Hon. Ellen C. Jaffee, Hon. Nancy Calhoun, and Ann G. Rabbitt, Members of the New York State Assembly; the President Pro Tem of the New York State Senate; the Speaker of the New York State Assembly; the Majority and Minority Leaders of the New York State Senate and Assembly; and to such other persons as the Clerk, in his discretion, may deem proper in order to effectuate the purpose of this resolution
