Legislator Wieder Appointed Chair Of Public Safety Committee Appoints Republican Legislator Jobson As Vice Chair

New City (Jan. 13, 2016) – Rockland County Legislator Aron B. Wieder (D-Spring Valley) has been appointed Chair of the Public Safety Committee of the Rockland County Legislature for 2016, and held his first committee meeting last night. The first meeting's agenda included funding for the District Attorney's Regional Investigative Resource Center, and funding for first responder training.

“It’s a great honor to chair this important legislative committee,” Wieder said. “I look forward to working with my legislative colleagues on both sides of the aisle to enhance public safety in our County facilities and in every community in Rockland.”

As Chair of the committee, Wieder was also tasked with the selection of Vice Chair. To that end, he appointed Legislator Doug Jobson, a Republican from Stony Point who is also the Legislature's Deputy Minority Leader, to be the Vice Chair of the Public Safety Committee.

“Legislator Jobson and I share a commitment to public safety and he will be a great partner on security issues that this committee will address,” Wieder said. “With Doug, I see a Legislator who looks beyond political party - as I do - and together we will fight to make Rockland even safer for all our residents.”

“I’m honored to be selected Vice Chair of the Public Safety Committee,” Legislator Jobson remarked after the meeting. “Public Safety is an issue that is near and dear to me, and I look forward to working with everyone in the Legislature and departments across County government to enhance public safety in Rockland.”
