

SHIFT OPERATOR
ROCKLAND COUNTY SEWER DISTRICT NO. 1

The Sewer District is accepting applications for the position of Shift Operator. This is technical work involving responsibility during the absence of the Supervising Operator or Chief Operator, or while assigned to a specific shift, for the safe and efficient operation and maintenance of a Grade 4 wastewater treatment plant. The work is performed under the general direction of a Supervising or Chief Operator and work guidance (e.g. lead work) may be provided to others. Incumbents in this title may be required to work other-than regularly scheduled work hours and may be required to remain on duty to maintain minimum staffing levels on the following shift. Does related work as required.

MINIMUM QUALIFICATIONS: Possession of a valid Grade 3 (Wastewater) certificate issued by the New York State Department of Environmental Conservation. Certification qualifications shall consist of education, training and practical experience as defined in Part 650 of the Department of Environmental Conservation Regulations.

SPECIAL REQUIREMENTS: Pre-employment medical examination and medical clearance for the use of respiratory equipment.

HOW TO APPLY:

Please mail, fax, or email resume to:
