It is generally recognized that property taxpayers have a substantial interest in receiving complete tax bill information. Part of having complete information should include a description of major programs funded by the County as well as a summary of the impact that State mandates have on property taxes. It is the intent of this law to provide a tax bill flyer to be inserted with the annual tax bill to ensure that the citizens of Rockland County receive such information in as clear and as complete a way as possible to assist their understanding as to what their real property taxes pay for.

SECTION 3. COUNTY TAX BILL FLYER.

The County Executive is hereby authorized to take any and all action necessary to cause a Tax Bill Flyer summarizing County budget information and the impact that State mandates have on the County tax levy to be included as an enclosure with each annual property tax bill. - b. Standard statement defining State mandates which shall include an explanation that some mandated amounts are approximate or qualified and that all mandates are not identified, if such be the case.
- c. Narrative and/or graphical summary of financial impacts of identified State mandates and the percentage of total spending that these mandates represent.
- d. Other information deemed necessary by the County Executive to implement this local law.

SECTION 4. OPTIONAL TOWN TAX BILL FLYER.

A Town may, by local law, request that the County include a Town Tax Bill Flyer summarizing Town budget information and the impact that State mandates have on the Town tax levy to be included as an enclosure with each annual property tax bill. The County Executive is authorized to develop a uniform Town Tax Bill Flyer template that shall include the following sections:

- a. Summary of revenues and expenses included in the Town's budget, including a tabulation and/or graphical depiction of major cost centers and the respective percentage of total spending of each item.
- b. Standard statement defining State mandates which shall include an explanation that some mandated amounts are approximate or qualified and that all mandates are not identified, if such be the case.
- c. Narrative and/or graphical summary of financial impacts of identified State mandates and the percentage of total spending that these mandates represent.
- d. Other information deemed necessary by the County Executive to implement this local law.

The County Executive is authorized to develop, with the advice of the Rockland County Association of Town Supervisors, procedures necessary to implement this section.

SECTION 5. PROCEDURE.

Should the Budget and Finance Committee fail to take any action within 45 days of submission, the County Executive's templates shall be deemed approved. The procedures required by this local law shall be carried out in addition to, and in accordance with, other annual tax billing procedures existing with the County of Rockland.

SECTION 6. EFFECTIVE DATE.
