Legislator Paul Keynote Speaker at SVHS Annual "Women's History Month" Event

New City, NY (April 3, 2015) – Rockland County Legislator Aney Paul was the keynote speaker at Spring Valley High School's annual event in honor of "Women's History Month".

Legislator Paul chose the theme set by the United Nations - "*Empowering Women-Empowering Humanity: Picture it*" and encouraged the students to commit themselves to empowering their potential, to make use of the educational opportunities that are available to all American women and to promote and stand up for women's rights.

Legislator Paul told the audience of high school girls, " We all must work to eradicate inequality for women in society and in the work place. When women succeed, nations are safer, more secure and more prosperous."
