Legislator Earl Congratulates Spring Valley High Boys Basketball Team on Exceptional Season of Play

New City, NY (May 21, 2015) – Rockland County Legislator Toney Earl presented the Spring Valley Boys Basketball Team and its coaches with Certificates of Achievement in honor of a championship season.

The team had a phenomenal 23-2 record, and went on to become the Section 1 Class A Champions, and made it to the Final Four.

"The team is a truly incredible group made up of outstanding players led by Head Coach Willie Worsley and Assistant Coach Tony Wooten," said Legislator Earl. "This team played as one, giving extraordinary support to each other. Because of that and their collective skills and game-playing strategies, teammate Rickey McGill, was able to average over 23 points a game, and a season total of 1,468 points - making him the school's all-time leading scorer and ranking him second in Rockland County history. Support for teammate Kai Mitchell-Watkins allowed him to finish the season seventh in county history with 1,316 points."

"These young men handled themselves in an admirable fashion on the court," said Earl. "Their record and level of play has made all of Spring Valley and Rockland County proud."
