## Legislator Wieder Reads At Grandview Elementary

**New City (February 27, 2015)** – Rockland County Legislator Aron B. Wieder (D- District 13) read to two different classes of first grade students at Grandview Elementary School in East Ramapo during a recent visit. The guest reading was in honor of "I Love To Read!" Month, annually held during February to promote reading among young people, particularly elementary school children.

Wieder read from the renowned "Curious George" series to the delight of the Grandview students. "It is always a pleasure to read to the public school children of East Ramapo, and encourage them to read more outside of school," Wieder remarked.

"It has been proven that early reading can lay the foundation for a future of academic success, and we all have a responsibility to encourage and help children read more, particularly when they begin elementary school," added Wieder. "I look forward to coming back to Grandview and other schools in the near future."
