Resolution No. 32 of 2013
ADOPTION OF RATES, RENTALS, FEES OR OTHER CHARGES FOR THE USE OR
AVAILABILITY OF THE FACILITIES AND SERVICES OF
THE AUTHORITY FOR THE YEAR 2014

WHEREAS, the Authority is a public benefit corporation, duly organized and existing under Title 13-M of the Public Authorities Law of the State of New York, as amended ("Public Authorities Law"); and

WHEREAS, the Authority is authorized under Section 2053-g of the Public Authorities Law to fix and collect rates, rentals, fees and other charges for the use or availability of the Authority's facilities and services; and

WHEREAS, it is necessary for the Authority to set its rates, rentals, fees or other charges for the use or availability of the Authority's facilities and services for the year 2014; and

WHEREAS, pursuant to Section 2053-g of the Public Authorities Law, the Authority is required to hold a public hearing at which interested persons have had an opportunity to be heard concerning its rates, rentals, fees or other charges; and

WHEREAS, a duly noticed public hearing was held on October 24, 2013, for the purpose of setting the Authority's rates, rentals, fees or other charges for the use or availability of its facilities and services for the year 2014; now therefore be it

RESOLVED, that the Authority Board hereby adopts the rates, rentals, fees or other charges for the use or availability of the Authority's facilities and services for the year 2014, annexed hereto and made a part of this Resolution as Exhibit "A"; and be it further

RESOLVED, that the Executive Director is authorized to take all appropriate actions to effectuate the levying and collection of such rates, rentals, fees or other charges for the use or availability of the Rockland County Solid Waste Management Authority's facilities and services for the year 2014.

Grant: This sets the amount to be raised by the levy subsequently, the user charge at \$91.77. I sent an e-mail earlier in the week to all Authority members indicated my intention to make an adjustment to the host fee component of the expense side of the budget. If I were to be successful in moving that amendment through, it would reduce this \$91.77 charge down to \$59.53 a savings of \$32.24 directly to each and every user in the system. I think that is an admirable goal and I think everyone should have that information available to them. I'd like to make a motion to eliminate the host fees.

St. Lawrence: Let's make this an amendment to the budget which is next on the agenda.

Grant: Motion to make an amendment to eliminate the host fees. The proposed host fee goes from \$3M to \$3.4M this year. The total budget increases by about \$600,000 this year. So the increase in host fees is fully two-thirds of the increase in the total budget as it has been proposed here for the year. My amendment would eliminate the host fee and would reduce the user charge based on the schedule Arlene provided to us from \$91.77 to \$59.53 a net reduction of \$32.24 that would be to the benefit of every user in the Solid Waste Authority system.

Grant: Moved
Altieri: Seconded

Yea: Grant, Altieri

Nay: Phillips, Finn, Gromack, Jobson, Moroney, Schoenberger, Sparaco, Stewart, Wieder, St. Lawrence

St. Lawrence: Motion fails.

Stewart: What's the legitimacy of increasing the host fees or keeping it the same? They shouldn't go up and increase the taxes of the people of Rockland County.

Phillips: So you didn't mind increasing the taxes on the residents when you increased the rebate to you but you do mind increasing the taxes on the host benefit fee. It seems to me that you're contradicting yourself. So are you doing it because you don't want to increase the taxes or are you doing it because in one instance you feel it benefits you and in another instance it doesn't?

Stewart: I feel like in the case of the rebate, it is an incentive to recycle and it makes sense in terms with the mission of the Authority. In the case of the increase in the host fee, I don't see how that increases recycling. It is a substantial increase in the Authority's budget which is passed on to the taxpayers.

Grant: We all participate in the Public Authority's training and part of that training teaches us about ethics and related issues. In section 801 general municipal law speaks to conflicts of interest and it indicates that where there is a municipal law officer who has authority over contracts, auditing claims, etc. and engaged in both sides of the contract, they should abstain from the vote. It talks to not just officers of the municipality but officers and employees and perhaps council could weigh in on this, should abstain from the vote to avoid even the appearance of a conflict of interest because there is a benefit. I don't think we have a municipal agreement on the host fees.

Rea: I believe you cited a provision of the general municipal law. This doesn't apply to the Authority.

Grant: What conflicts of interest would apply? Clearly council there is a benefit to the towns and there are representatives of towns on this Authority. I'm not so sure they should be precluded from voting on everything. Certainly this is in the specific best interest of three members of the Authority and at least one employee who is also here tonight of a particular town that will benefit from it. I believe that is a conflict or at least raises to the level of an appearance of a conflict of interest. I personally think they should abstain.

St. Lawrence: Mr. Grant the members of the towns and the supervisors are appointed ex officio. They are performing their duties for the constituents they represent and for the county they represent and in the interest of the operations of the Authority to be able to have this intermunicipal agreement and the host sharing arrangement with the towns and the towns provide services to the Authority as well. That is why I don't think there is a conflict by any of the members of this Board

All those in favor of removing the increase on the host fees?

Stewart: Moved
