**RESCISSION OF STAGE II WATER EMERGENCY DECLARATION  
(DROUGHT WARNING)**

WHEREAS, the total capacity of water available for augmentation of flow in the Ramapo River has increased since a Stage II Water Emergency was declared on July 21, 2016, and has now risen above the Stage 2 curve as presented in Schedule 2 of Article V of the Rockland County Sanitary Code, and

WHEREAS, Article V of the Rockland County Sanitary Code (RCSC), adopted May, 2001, grants the Commissioner of Health the authority to declare a Stage I Water Emergency (Drought Alert) if, in her opinion, such a declaration is necessary to protect public health and safety, and

WHEREAS, on July 27, 2016, the Commissioner of Health issued an Order to Abate Nuisance pursuant to RCSC §1.17.0, now be it hereby

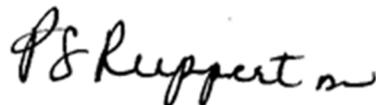

ORDERED, that as of this day, the Stage II Water Emergency (Drought Alert) no longer currently exists in the County of Rockland, and

ORDERED, that as of this day, the Stage II Water Emergency (Drought Alert) is hereby rescinded, and

ORDERED, that as of this day, the Order to Abate Nuisance dated July 27, 2016 is hereby rescinded.

Dated: August 24, 2016  
Pomona, New York
