

**3 APPLEDALE LANE (CR-242)**

- 6 There shall be no net increase in the peak rate of discharge from the site at all design points.
- 7 Public sewer mains requiring extensions within a right-of-way or an easement shall be reviewed and approved by the Rockland County Department of Health prior to construction.
- 8 Retaining walls that are over four (4) feet in vertical height shall be designed by a licensed New York State Professional Engineer and be in compliance with the NYS Fire Prevention and Building Code. Design plans shall be signed and sealed by the licensed NYS Professional Engineer.
- 9 Two site plans were provided; a re-subdivision site plan with existing conditions, and a site plan with the proposed single-family dwelling. The map notes on the proposed single-family dwelling site plan shall include district information. In both vicinity maps, Appledale Lane is labelled as Appledale Drive, and must be corrected. Lastly, the subject parcels must be centered within the vicinity map on the re-subdivision site plan.
- 10 The Attorney letter and Application Review Form incorrectly refer to tax parcel 69.03-1-46, rather than 69.03-1-26. This should be corrected so all materials remain consistent.
- 11 Pursuant to General Municipal Law (GML) Section 239-m and 239-n, if any of the conditions of this GML review are overridden by the board, then the local land use board must file a report with the County Commissioner of Planning of the final action taken. If the final action is contrary to the recommendation of the Commissioner, the local land use board must state the reasons for such action.
- 12 In addition, pursuant to Executive Order 01-2017 signed by County Executive Day on May 22, 2017, County departments are prohibited from issuing a County permit, license, or approval until the report is filed with the County Commissioner of Planning. The applicant must provide to any County agency which has jurisdiction of the project: 1) a copy of the Commissioner report approving the proposed action; or 2) a copy of the Commissioner of Planning recommendations to modify or disapprove the proposed action, and a certified copy of the land use board statement overriding the recommendations to modify or disapprove, and the stated reasons for the land use board's override.

*\*NYS General Municipal Law Section 239 requires a vote of a 'majority plus one' of your agency to act contrary to the above findings.*

*The review undertaken by the Rockland County Planning Department is pursuant to, and follows the mandates of Article 12-B of the New York General Municipal Law. Under Article 12-B the County of Rockland does not render opinions, nor does it make determinations, whether the item reviewed implicates the Religious Land Use and Institutionalized Persons Act. The Rockland County Planning Department defers to the municipality forwarding the item reviewed to render such opinions and make such determinations if appropriate under the circumstances.*

*In this respect, municipalities are advised that under the Religious Land Use and Institutionalized Persons Act, the preemptive force of any provision of the Act may be avoided (1) by changing a policy or practice that may result in a substantial burden on religious exercise, (2) by retaining a policy or practice and exempting the substantially burdened religious exercise, (3) by providing exemptions from a policy or practice for applications that substantially burden religious exercise, or (4) by any other means that eliminates the substantial burden.*

*Proponents of projects are advised to apply for variances, special permits or exceptions, hardship approval or other relief.*

### **3 APPLEDALE LANE (CR-242)**

*Pursuant to New York State General Municipal Law §239-m(6), the referring body shall file a report of final action it has taken with the Rockland County Department of Planning within thirty (30) days after final action. A referring body which acts contrary to a recommendation of modification or disapproval of a proposed action shall set forth the reasons for the contrary action in such report.*
