**Re: GENERAL MUNICIPAL LAW REVIEW:** Section 239 L and M

**Map Date:** 2/23/2015

**Date Review Received:** 5/21/2015

**Item:** VASKO ZADRIMA (GV-50C)

Variances to permit two, one-story additions to an existing single-family dwelling located on .28 acres in the R-10 zoning district. Required variances include front yard, rear yard, and floor area ratio. East side of River Road, approximately 2,365 feet north of Station Lane

**Reason for Referral:**

River Road (CR 1), Town of Orangetown

The County of Rockland Department of Planning has reviewed the above item. Acting under the terms of the above GML powers and those vested by the County of Rockland Charter, I, the Commissioner of Planning, hereby:

***\*Recommend the following modifications***

- 1 As indicated in the June 3, 2015 letter from the Rockland County Department of Highways, a work permit will be required for the proposed new construction, and must be obtained prior to any construction on site.
- 2 The Town of Orangetown is one of the reasons this proposal was referred to this department for review. The municipal boundary is along the eastern property line of the site at the mean high tide of the Hudson River, as well as approximately 340 feet west of the site. As required under Section 239nn of the State General Municipal Law, the Town of Orangetown must be given the opportunity to review the proposed site plan and provide any concerns related to the project to the Village of Grand View-on-Hudson.

*Proponents of projects are advised to apply for variances, special permits or exceptions, hardship approval or other relief.*
