The County of Rockland Department of Planning has reviewed the above item. Acting under the terms of the above GML powers and those vested by the County of Rockland Charter, I, the Commissioner of Planning, hereby:

****Recommend the following modifications***

- 1 A review must be completed by the County of Rockland Department of Highways and all required permits obtained.
- 2 The comments in the February 9, 2016 letter from the Rockland County Drainage Agency must be noted.
- 3 A review must be completed by the Palisades Interstate Park Commission and any raised comments or concerns addressed.
- 4 The Village of Pomona is one the reasons this proposal was referred to this department for review. The municipal boundary is directly east of the site along Call Hollow Road. As required under Section 239nn of the State General Municipal Law, the Village of Pomona must be given the opportunity to review the proposed site plan and provide any concerns related to the project to the Town of Haverstraw.

JCC MANHATTAN - CAMP SETTOGA (H-111D)

5 The Survey Map lists three properties: Section 24.12, Block 2, Lots 1 & 2; and Section 25.05, Block 3, Lot 2. The cover sheet and other application materials list the tax parcels as Section 24.12, Block 2, Lot 1; and Section 25.05, Block 3, Lots 1 & 2. The Survey Map must be corrected.

6 There are no Map Notes or Vicinity Map depicted on the survey map. These two features must be provided. In addition, the specific tax parcels that comprise the site must be illustrated on the map.

**NYS General Municipal Law Section 239 requires a vote of a 'majority plus one' of your agency to act contrary to the above findings.*

The review undertaken by the Rockland County Planning Department is pursuant to, and follows the mandates of Article 12-B of the New York General Municipal Law. Under Article 12-B the County of Rockland does not render opinions, nor does it make determinations, whether the item reviewed implicates the Religious Land Use and Institutionalized Persons Act. The Rockland County Planning Department defers to the municipality forwarding the item reviewed to render such opinions and make such determinations if appropriate under the circumstances.

In this respect, municipalities are advised that under the Religious Land Use and Institutionalized Persons Act, the preemptive force of any provision of the Act may be avoided (1) by changing a policy or practice that may result in a substantial burden on religious exercise, (2) by retaining a policy or practice and exempting the substantially burdened religious exercise, (3) by providing exemptions from a policy or practice for applications that substantially burden religious exercise, or (4) by any other means that eliminates the substantial burden.

Proponents of projects are advised to apply for variances, special permits or exceptions, hardship approval or other relief.

Pursuant to New York State General Municipal Law §239-m(6), the referring body shall file a report of final action it has taken with the Rockland County Department of Planning within thirty (30) days after final action. A referring body which acts contrary to a recommendation of modification or disapproval of a proposed action shall set forth the reasons for the contrary action in such report.
