The review undertaken by the Rockland County Planning Department is pursuant to, and follows the mandates of Article 12-B of the New York General Municipal Law. Under Article 12-B the County of Rockland does not render opinions, nor does it make determinations, whether the item reviewed implicates the Religious Land Use and Institutionalized Persons Act. The Rockland County Planning Department defers to the municipality forwarding the item reviewed to render such opinions and make such determinations if appropriate under the circumstances.

In this respect, municipalities are advised that under the Religious Land Use and Institutionalized Persons Act, the preemptive force of any provision of the Act may be avoided (1) by changing a policy or practice that may result in a substantial burden on religious exercise, (2) by retaining a policy or practice and exempting the substantially burdened religious exercise, (3) by providing exemptions from a policy or practice for applications that substantially burden religious exercise, or (4) by any other means that eliminates the substantial burden.

Proponents of projects are advised to apply for variances, special permits or exceptions, hardship approval or other relief.
