Re: GENERAL MUNICIPAL LAW REVIEW: Section 239 L and M
Map Date: 1/11/2013

Date Review Received: 8/2/2016

Item: *GENTLE GIANT BREWING (O-2306)*

Site plan for the proposed change of use for a portion of an existing building located on .18 acres in the CS zoning district. The new use is proposed to entail a brewery restaurant.
Northwest corner of W. Central Avenue and N. Main Street

Reason for Referral:

W. Central Avenue (CR 30), Muddy Creek

The County of Rockland Department of Planning has reviewed the above item. Acting under the terms of the above GML powers and those vested by the County of Rockland Charter, I, the Commissioner of Planning, hereby:

****Recommend the following modifications***

- 1 A review must be completed by the County of Rockland Department of Highways and any comments or concerns addressed.
- 2 As indicated in the August 2, 2016 letter from the Rockland County Department of Health, a permit will be required prior to opening, in order to operate the food service establishment.
- 3 No bulk table or parking information has been provided for this site and proposed use. Restaurants and bars require one parking space per 100 square feet of gross floor area in the CS zoning district. Section 6.33 indicates that the required off-street parking spaces can be provided on site or within 1,000 feet walking distance of such lot. The applicant must indicate where the required parking will be located for the new use.

**NYS General Municipal Law Section 239 requires a vote of a 'majority plus one' of your agency to act contrary to the above findings.*

The review undertaken by the Rockland County Planning Department is pursuant to, and follows the mandates of Article 12-B of the New York General Municipal Law. Under Article 12-B the County of Rockland does not render opinions, nor does it make determinations, whether the item reviewed implicates the Religious Land Use and Institutionalized Persons Act. The Rockland County Planning Department defers to the municipality forwarding the item reviewed to render such opinions and make such determinations if appropriate under the circumstances.

In this respect, municipalities are advised that under the Religious Land Use and Institutionalized Persons Act, the preemptive force of any provision of the Act may be avoided (1) by changing a policy or practice that may result in a substantial burden on religious exercise, (2) by retaining a policy or practice and exempting the substantially burdened religious exercise, (3) by providing exemptions from a policy or practice for applications that substantially burden religious exercise, or (4) by any other means that eliminates the substantial burden.

Proponents of projects are advised to apply for variances, special permits or exceptions, hardship approval or other relief.

Pursuant to New York State General Municipal Law §239-m(6), the referring body shall file a report of final action it has taken with the Rockland County Department of Planning within thirty (30) days after final action. A referring body which acts contrary to a recommendation of modification or disapproval of a proposed action shall set forth the reasons for the contrary action in such report.
