Re: GENERAL MUNICIPAL LAW REVIEW: Section 239 L and M

Map Date: 6/7/1999

Date Review Received: 11/6/2017

Item: *PHILIP FESTA - VARIANCE FOR SHED (SP-318B)*

A variance application to allow the construction of a shed on 1.38 acres in the RR zoning district. The property is a corner lot and front yard setback variances for the Wayne Avenue and Bulsontown Road property lines are requested.

The western side of Wayne Avenue, between the Wayne Avenue/Bulsontown Road and Wayne Avenue/Andrews Drive intersections.

Reason for Referral:

Cedar Pond Brook, West Main Street (CR 108), Wayne Avenue (CR 112), Bulsontown Road (CR 65)

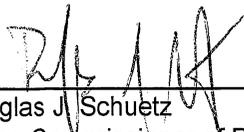

The County of Rockland Department of Planning has reviewed the above item. Acting under the terms of the above GML powers and those vested by the County of Rockland Charter, I, the Commissioner of Planning, hereby:

****Recommend the following modifications***

- 1 The location of the proposed shed has been drawn by hand. Since the proposed location of the shed requires variances for both sides and is adjacent to a County Highway, a higher level of accuracy must be maintained. The submitted map is also very outdated and does not reflect true to life features. An updated map, made by a surveyor or engineer, must be submitted to show the proposed dimensions and location of the shed, and distances to property lines. In addition, the site plan shall contain map notes, including district information, and a vicinity map.
- 2 A review must be completed by the County of Rockland Department of Highways and all required permits obtained from them.
- 3 A review must be completed by the County of Rockland Drainage Agency and all required permits obtained from them.

PHILIP FESTA - VARIANCE FOR SHED (SP-318B)

4 A review must be completed by the County of Rockland Department of Health and all required permits obtained from them.

**NYS General Municipal Law Section 239 requires a vote of a 'majority plus one' of your agency to act contrary to the above findings.*

The review undertaken by the Rockland County Planning Department is pursuant to, and follows the mandates of Article 12-B of the New York General Municipal Law. Under Article 12-B the County of Rockland does not render opinions, nor does it make determinations, whether the item reviewed implicates the Religious Land Use and Institutionalized Persons Act. The Rockland County Planning Department defers to the municipality forwarding the item reviewed to render such opinions and make such determinations if appropriate under the circumstances.

In this respect, municipalities are advised that under the Religious Land Use and Institutionalized Persons Act, the preemptive force of any provision of the Act may be avoided (1) by changing a policy or practice that may result in a substantial burden on religious exercise, (2) by retaining a policy or practice and exempting the substantially burdened religious exercise, (3) by providing exemptions from a policy or practice for applications that substantially burden religious exercise, or (4) by any other means that eliminates the substantial burden.

Proponents of projects are advised to apply for variances, special permits or exceptions, hardship approval or other relief.

Pursuant to New York State General Municipal Law §239-m(6), the referring body shall file a report of final action it has taken with the Rockland County Department of Planning within thirty (30) days after final action. A referring body which acts contrary to a recommendation of modification or disapproval of a proposed action shall set forth the reasons for the contrary action in such report.
