**Re: GENERAL MUNICIPAL LAW REVIEW:** Section 239 L and M

**Map Date:** 3/15/2016

**Date Review Received:** 6/1/2016

**Item:** *IGLESIA PENTECOSTAL RIOS DE AGUA VIVA (WH-178A)*

Variations to permit the proposed conversion of two existing buildings located on .36 acres in the C zoning district. The two-story, 2,230 sq. ft. building, which currently houses two businesses and two residential units, will be converted to a rectory/parsonage. The one-story building, located to the rear of the property, and which had been used as a tire retailer and installer business (but is now vacant), will be converted to a church use. There is a discrepancy as to which "Use Group" should be used for the bulk requirements. Both use Group K and L have been provided by the applicant. The required variations for Use Group L, which is the more stringent, include: lot area, lot width, lot coverage, front setback, side setback, total side setback, rear setback, and buffer to a residential district.

4 The Town of Haverstraw is one of the reasons this proposal was referred to this department for review. The municipal boundary is approximately 330 feet northwest of the northern property line of the site. As required under Section 239nn of the State General Municipal Law, the Town of Haverstraw must be given the opportunity to review the proposed site plan and provide any concerns related to the project to the Village of West Haverstraw.
